COURSE MODE

- **Hybrid Course Sample Description:** This is a hybrid course. A hybrid course is a combination of traditional classroom activities as well as online instruction. Some classroom time is replaced by content and activities that take place in a managed online eLearning classroom. You should also check in on the Canvas course at least 3 times a week. For more information about taking a class a Hybrid course, visit [eLearning at EdCC](http://www.edcc.edu/elearning/) [_ \(http://www.edcc.edu/elearning/\)](http://www.edcc.edu/elearning/) (full URL: <http://www.edcc.edu/elearning> [_ \(http://www.edcc.edu/elearning/\)](http://www.edcc.edu/elearning/)).

ASSIGNMENTS AND GRADING

- **Assessment Criteria and Grading Policies.** Point Distribution: activities (100), assignments (100), discussions (100), quizzes (100), projects (200), exams (400). Total points (1000). Rubrics for the assignments are specified in Canvas. See the Grade Table below for the grade point equivalents.
- **Attendance Policy.** Because this is a hybrid course, you must attend class each week on Campus. In-class labs must be submitted at the end of the class. You should also check in on the Canvas course at least 3 times a week, to be sure that you don't miss any important announcements or information.
- **Make-up or Late Work.** Projects/assignments are due on the date indicated in Canvas.
Projects/assignments received late will be marked 50% off if the assignment is not submitted by the stated date on the calendar. After the second week, no late assignment will be accepted. The final project will not be accepted late. No assignments will be accepted after the last class meeting of the quarter. No make-up tests or quizzes will be given unless prearranged. Prearranged is defined as: notifying the instructor of the inability to take the test or quiz before the scheduled time of the test or quiz. You must make up the missed test or quiz within an agreed upon amount of time, no more than one week.
